

## Life in the Slow Rhythm

| Culture, Heritage, Rivers and Natural Beauty |

**Daily tours from September 12<sup>th</sup> until September 15<sup>th</sup>**

Sremski Karlovci is a small town situated on the slopes of Fruška Gora Mountain, 57 kilometers away from Belgrade. The baroque core contains many historical buildings, which strike with both their beauty and significance. Despite small number of inhabitants in this town, significance for Serbian history, culture and spirituality is huge. Rich in tradition, this is main destination for wine admirer.
